

# When The Shit Hits The Fan / Sunset Blvd.

## Todd Rundgren

Earthquake in new york city,  
The chrysler building fell in my yard  
But when the shit hits the fan,  
I think I'll have to make my way  
Back to sunset boulevard  
The ira has just hit london,  
They blew up half of scotland yard

But when the shit hits the fan,  
I guess I'll try to make my way  
Back to sunset boulevard  
Cruisin' down a mountain highway,  
Someone's cut the brakes on my car  
But when the shit hits the fan,  
I know I have to get my ass  
Back to sunset boulevard
