

Too Many Girls

Tech N9ne

tech n9nes verse: hey, i really like you so maybe we, can go half on a baby see countries take a chance with
crazy me, And I never wanna be shady T, dont give a damn where the other ladies be Andrea, I mean Demicika,

DAMN. Man I think I got A.D.D.

Im callin you to say I think I see the light if Regine should come over right now and just sleep with me tonight,
Sarah please, I mean Theresa geeze, I steady kept losing sight, cuz they bodies be hella tight even though its
wrong the feelings right

My bed is so ready to get wetter by incredible sex, I just wanna sin up and get in up, caress your straight edible
breasts

Do ya hear me lord

I'm sorry bout' that Gina

would you gimme that thing I really want you Stephanie I mean Katrina

I get calls from Lacy, from Amber and Sometimes Sabrina

They all over my demeanor so they stand in line for the wiener

From Kristina Pam and big booty J the one with Jerita

Anna Louise beauty queen and Tya Neida said you got too many GIRLS NINA*chorus*
