

Let It Rain

Eric Clapton

The rain is falling through the mist of sorrow that surrounded me
The sun could never thaw away the bliss that lays around me[Chorus]

Let it rain, let it rain,

Let your love rain down on me

Let it rain, let it rain,

Let it rain, rain, rainHer life was like a desert flower burning in the sun
Until I found the way to love, it's harder said than doneLet it rain, let it rain,

Let your love rain down on me

Let it rain, let it rain,

Let it rain, rain, rainNow I know the secret; there is nothing that I lack
If I give my love to you, you'll surely give it backLet it rain, let it rain,

Let your love rain down on me

Let it rain, let it rain,

Let it rain, rain, rainLet it rain, let it rain,

Let your love rain down on me

Let it rain, let it rain,

Let it rain, rain, rain
