

Where The Love Lasts Forever

Hillsong London

Your mercy found me upon the broken road
And lifted me beyond my failing
Into Your glory my sin and shame dissolved
And now forever Yours I'll stand In love never to end
To call You more than Lord
Glorious friend So I throw my life upon all that You are
'Cause I know You gave it all for me
And when all else fades my soul will dance with You
Where the love lasts forever Your mercy found me
Your mercy found me upon the broken road
And lifted me beyond my failing
Into Your glory my sin and shame dissolved
And now forever Yours I'll stand In love never to end
To call You more than Lord
Glorious friend So I throw my life upon all that You are
'Cause I know You gave it all for me
And when all else fades my soul will dance with You
Where the love lasts forever So I throw my life upon all that You are
'Cause I know You gave it all for me
And when all else fades my soul will dance with You
Where the love lasts forever And forever I will sing
Lord, forever I will sing
Of how You gave Your life away
Just to save me, Lord, You saved me And forever I will sing
Lord, forever I will sing
Of how You gave Your life away
Just to save me, Lord, You saved me So I throw my life upon all that You are
'Cause I know You gave it all for me
And when all else fades my soul will dance with You
Where the love lasts forever So I throw my life upon all that You are
'Cause I know You gave it all for me
And when all else fades my soul will dance with You
Where the love lasts forever With You, where the love lasts forever
With You, where the love lasts forever
I'll dance with You, where the love lasts forever
