

# How To Get a Boyfriend (feat. Miranda Sings)

## AVbyte

When you think you see a boy  
Who strikes your fancy  
Strike a pose you know is going to catch his eye  
Pretty soon I'm sure you'll be the boy's fiancée  
With my simple steps that work most every time  
Now be sure that you're not coming off as easy  
'Cause you want to boys to work hard for the prize  
Check your phone, look nonchalant  
Pretend you're busy  
And believe me, they'll be dropping down like flies  
Miranda, Miranda  
We want to be just like you  
Miranda, Miranda  
Please tell us what to do  
Now before we move along  
Let's check your wardrobe  
'Cause it just won't do to walk around like porn  
Simply stick to my sophisticated dress code  
'Cause Miranda knows how clothes are to be worn  
And let's not forget a little bit of makeup  
'Cause we can't all be as bootiful as me  
Now you'll always be prepared for your big close up  
You'll be flawless as the world can clearly see  
Miranda, Miranda  
We want to be just like you  
Miranda (Miranda), Miranda (Miranda)  
Miranda, we love you!  
When he takes you out to dinner  
Choose the venue  
You don't want to have a meal that wastes your time  
Order one of every item on the menu  
So the man knows you're worth more than just a dime  
But before he sweeps you off into his carriage  
There is one thing that you must remember well  
Don't do anything down there until the marriage  
Or you'll definitely die  
And burn in hell  
So remember all these lessons  
That I taught you here today  
With this knowledge you are ready  
Now you girls are on your way  
Miranda (Miranda), Miranda (Miranda)  
The whole wide world adores you  
Miranda, Miranda,  
You've made our dreams come true!
