In My Remains

Linkin ParkÔ€

Separate
Sifting through the wreckage
I can't concentrate
Searching for a message
In the fear and pain
Broken down and waiting
For a chance to feel aliveNow in my remains
Are promises that never came
Set the silence free
To wash away the worst of meCome apart
Falling in the cracks
Of every broken heart
Digging through the wreckage
Of your disregard
Sinking down and waiting
For a chance to feel aliveNow in my remains
Are promises that never came
Set the silence free
To wash away the worst of meLike an army falling one by one by one
Like an army falling one by one by one(Chester)
Like an army falling one by one by one
Like an army falling one by one by oneNow in my remains (One by one, one by one)
Are promises that never came (One by one by one)
Set the silence free (One by one one by one)
To wash away the worst of me (One by one by one)Like an army falling one by one by one
Like an army falling one by one by one
