

This Is the Life (Acoustic Version)

Kolohe Kai

All through, my days at school
I often think of you, my darling baby boo
Your always in my head, that's why I can't wait to go to bed
to close my eyes and visualize
you right by my side.
Your my dream girl, living in my dream world
I'm in love with you, please don't wake me up.
Your my dream girl, living in my dream world
Im in love with you, please don't wake me up, please don't wake me up.
We're walking hand in hand in Disneyland
and dinner at the grand canyon, soon we'll be on the moon
that afternoon walking on the sand.
My Hawaiian baby girl, in my dreams your always near.
But in the morning, there's a warning, that you won't be here
Your my dream girl, living in my dream world
I'm in love with you, please don't wake me up. Your my dream girl, living in my dream world
Im in love with you, please don't wake me up
please don't wake me up.
Oh my girl we can go anywhere
Just say the place and I'll take you there.
Cause in this dream I can be your King, and you my love
you can be my queen...
Your my dream girl, living in my dream world
I'm in love with you, please don't wake me up.
Your my dream girl, living in my dream world
Im in love with you, please don't wake me up
please don't wake me up.
