

Suicyco Muthafucka

Suicidal Tendencies

Tippy toe through broken dreams
There goes a little fucked up piece of my brain
Didn't need it anyhow, didn't use it anyhow, no way
My mind's been soakin' up so much shit, now it's cured not like healthy
Cured like a marinated dried out fuckin' piece of meatSuicyco muthafucka, suicyco muthafucka
Don't take no shit from no one
Suicyco muthafucka, suicyco muthafucka
Said if you ain't suicidal, you ain't shitSnap crackle pop it just stopped being funny
Don't know was said, but don't know if I like it
There's always something funny that just ain't funny
I ain't no muthafucker, never had one never really wanted one
But that don't mean your daughter's safe
Guess that makes me a daughter fuckerRunning through a place I swear I'd never go, smash it wow
Never know it could be so much fun
I remember it now, I remember it now, just like it never was
There's always something funny that just ain't funny andSuicyco muthafucka, suicyco muthafucka
Don't take no shit from no one
Suicyco muthafucka, suicyco muthafucka
I'm suicidal for lifeSuicyco, suicyco, suicyco, muthafuckaSuicyco muthafucka, suicyco muthafucka
Don't take no shit from no one
Suicyco muthafucka, suicyco muthafucka
Said if you ain't suicidal, you ain't shitI got to think in a different way
The old way got me nowhere
The new way got me somewhere
But nowhere where I wanted to go or where I belongI gotta go back to the old way
Tired of people looking at me funny
Not knowing who was in control and who wasn't
Yeah I'm not and that's why I'm in controlYeah, I fuck it up, fuck it up again
Yeah, fuck it up, yeah I fuck it up again
Fuck it up, yeah I fuck it up again
Makes things a hell of a lot simplerYeah I fuck it up, yeah I fuck it up again
Yeah I fuck it up, fuck it up again
Yeah I fuck it up, fuck it up again
Makes things a hell of a lot simplerSuicyco, suicyco, suicyco
Muthafucka, muthafucka, muthafucka
