

Little Bigot

Villagers

Love is all
Love is real
Love is true
Love is all
Love is me
Love is you
Were taking aim
And youre about to expire
So take the blame
And throw that hatred on the fire
Throw it on the fire
Throw it on the fire
Love is all
Love is real
Love is true
Love is all
Love is me
Love is you
Were taking aim
And youre about to expire
So take the blame
And throw that hatred on the fire
Throw it on the fire
Throw it on the fire
Throw it on the fire
Throw it on the fire
Love is all
Love is old, love is new
Love is all
Love is me, love is you
Were the same
And its ok to be tired
So take the blame, little bigot
And throw that hatred on the fire
Throw it on the fire
Do-do-doooh
