

# I Can Take Or Leave Your Loving

## Herman's Hermit

I don't need her  
Don't need her kind of heartaches and pain  
She's gonna have to see  
Things now can never be the same again  
I won't miss her  
Well, maybe I'll miss her once in a while  
She thinks I'm gonna die, now that she's said goodbye  
But she's so wrong, I'll just smile  
Baby, baby, don't you believe it  
When it comes to your loving I can take it or leave it  
Baby, baby, don't you believe it  
When it comes to your loving I can take it or leave it  
I can take or leave your loving

I can take or leave your loving  
I'm not sorry  
I still think we're better apart  
She says she's gonna see  
A day when there's gonna be a change of heart  
Baby, baby, don't you believe it  
When it comes to your loving I can take it or leave it  
Baby, baby, don't you believe it  
When it comes to your loving I can take it or leave it  
I can take or leave your loving  
I can take or leave your loving
