

Our Lips Are Sealed (feat. Haylie Duff)

[Hilary Duff](#)

Can you hear them?
They talk about us
Telling lies
Well, that's no surprise
Can you see them?
See right through them?
They have no shield
No secrets to reveal It doesn't matter what they say
In the jealous games people play
Hey, hey, hey Our lips are sealed There's a weapon
Which we must use
In our defense
Silence
Spreading rumors
So far from true
Dragged up from the underworld
Just like some precious pearl It doesn't matter what they say
In the jealous games people play
Hey, hey, hey Our lips are sealed Pay no mind to what they say
It doesn't matter anyway
Hey, hey, hey Our lips are sealed Hush, my darling
Don't you cry
Cryin' angel
Forget their lies Can you hear them?
They talk about us
Telling lies
Well, that's no surprise
Can you see them?
See right through them?
They have no shield
No secrets to reveal It doesn't matter what they say
In the jealous games people play
Hey, hey, hey Our lips are sealed Pay no mind to what they say
It doesn't matter anyway
Hey, hey, hey Our lips are sealed
Our lips are sealed
Our lips are sealed
