Clockwork

Juelz Santana

DipSet
Santana, ay
Tick, tock
Tick, tock
Get on the grind like clockwork
Move that behind like clockwork
Keep it coming on time like clockwork
Get that clockwork, homie, make that clockwork, shorty
You hear the sounds of the tick
You hear the sounds of the tock
You hear the sounds of the clock
And get it right tock
Move to the sound of the tick
Move to the sound of the tock
Move to the sound of the clock
And get it right, tock yep yep
Now lemme see you get that block work rolling
Lemme see you get that clockwork going
Fiends copping by the clockwork flowing all day and all night
Till them S.W.A.T. cops rolling or that clock, stop, going
Tick, tock, tick, tock, ay
Homie, get on the grind like clockwork
Two for five or a dime, that's clockwork, shorty
You ain't gettin' off the hook that easy
Lemme see that clockwork
She said look that's easy
Move it around, and around, and around, and around like a clock chick
To the sound, of the sound, of the sound of the clock's tick
Tick, tock, tick, tock, ay
Shorty, move that behind like clockwork
And spin around to the sound
Of how the clockwork
You hear the sounds of the tick
You hear the sounds of the tock
You hear the sounds of the clock
And get it right tock
Move to the sound of the tick
Move to the sound of the tock
Move to the sound of the clock

And get it right, tock yep yep
Get on the grind like clockwork
Move that behind like clockwork
Keep it coming on time like clockwork
Get that clockwork, homie, make that clockwork, shorty
The grind on paper chase
The block on day to day
Listen, I'm always ticking
Like the clock on Flava Flav
I could give cock, and don't stop giving
So can you wink wop, and don't stop whipping
And just make that clockwork, get that clockwork
Shake that clockwork, flip that clockwork, shorty, ay
Do what you gotta do for that clockwork
Nine to five, side moves for that clockwork
If you a soldier, homie, get you a doja homie
Move the homie, tell him get that clockwork, homie
Ay, teach him how to mix that pot work
Right to left, all day
He'll get that clockwork
Listen
Tick, tock, tick, tock, homie, ay
That's what I call clockwork for ya
Holla at me
I got work for ya, ay
You hear the sounds of the tick
You hear the sounds of the tock
You hear the sounds of the clock
And get it right tock
Move to the sound of the tick
Move to the sound of the tock
Move to the sound of the clock
And get it right, tock yep yep
Get on the grind like clockwork
Move that behind like clockwork
Keep it coming on time like clockwork
Get that clockwork, homie, make that clockwork, shorty
I mean nigga if you gettin' money that's clockwork
If you hustlin', that's clockwork
Bitch, if you out there sellin' ass, that's clockwork
If you out there pimpin' homie, that's clockwork
Holla at me, ay, DipSet
