Can we payback more then can be measured
If we could love(x7)
There us an amount of love
An amount of grace
Beyond all meaning
Beyond all measure
If we could even grasp it
There would be more pleasure
There is no greater love than
Laying your life down for a friend
If we loved God to a teaspoon
Of his overflowing cup
What would this world then see
What would this world then see
Our land of sorrow and turmoil
Would swirl to a community of joy
What would this worlds then see
Open your eyes to glisten
Open our hearts to receive
Open our mouths to resist simile that no one can fathom
OH!!!!
How can we...REPAY
How can we...REPAY
Love the Lord your god
With all your heart
All your soul
All your mind
All your strength(x4)
WITH ALL YOUR LIFE
