Killing me killing you (Edit)

Sentenced

Baby, have you seen, there is a snake in our paradise
A serpent that's wriggling between us
and freezing our feelings to iceAnd with each drop of blood we bleed because of this
something so precious dies and it feels it really is...Killing Me Killing You
Killing all we have
As our loves wither awayBurning Me Burning You
Burning us to ash
Drowning us in a sea of flamesDarling, do you feel, there is a storm coming our way
The burning light between us is already starting to fade
The fire in our hearts is smothered by the rain
and the crimson flame of passion turns into something grayAnd with each drop of blood our shattered hearts ever bleed
something so precious dies and is lost eternallyKilling Me Killing You
Killing all we have
As our loves wither awayBurning Me Burning You
Burning us to ash
Drowning us in a sea of flamesEach teardrop from your eyes
makes something inside me die
Each of these days that draws us part
takes a piece from my heartKill me kill me kill me again with your love
and chase the storm away
Bring me bring me bring me the end with your love
and haunt the demons awayKilling Me Killing You
Killing all we have
As our loves wither awayBurning Me Burning You
Burning us to ash
Drowning us in a sea of flamesKill me kill me kill me again with your love
and chase the snake away
Bring me bring me bring me the end with your love
and haunt the serpent away
