

Promises In The Dark

[Pat Benatar](#)

Never again, isn't that what you said?
You've been through this before
An' you swore this time you'd think with your head
No one, would ever have you again
And if taking was gonna get done
You'd decide where and when
Just when you think you got it down
Your heart securely tied and bound
They whisper, promises in the dark
Armed and ready, you fought love battles in the night
But too many opponents made you weary of the fight
Blinded by passion, you foolishly let someone in
All the warnings went off in your head
Still you had to give in
Just when you think you got it down
Resistance nowhere to be found
They whisper, promises in the dark
But promises, you know what they're for
It sounds so convincing, but you heard it before
'Cause talk is cheap and you gotta be sure
And so you put up your guard
And you try to be hard
But your heart says try again
