

# Lovemaker/Soulshaker

## 4Lyn

You've spotted me  
With your eyes on the prize  
Baby I saw you too  
Had my eyes on your thighs  
I know what you're here for  
It's easy to see  
You're a lovers nightmare  
But a dream to me  
(Yeah!)  
I'll be your lovemaker, soulshaker  
(Yeah!)  
I'm gonna love you to death (come on!)  
(Yeah!)  
I'll be your hopes and your heartbreaker  
(Yeah!)  
Up and down, right and left  
Into the night with a hell of a buzz  
Can't control my hands and it's all because  
My conscious is fading away too fast  
I praise your mama for your hips  
And satan for your ass  
I'm like a stick of dynamite  
That got stuck in a rock  
A rock 'n' roll frankenstein  
On the wheel of a truck  
I'm like a 9mm that's ready to pop  
Or just and ordinary mand that is ready to fuck  
(Yeah!)  
I'll be your lovemaker, soulshaker  
(Yeah!)  
I'm gonna love you to death (come on!)  
(Yeah!)  
I'll be your hopes and your heartbreaker  
(Yeah!)  
Up and down, right and left  
(x2)  
(Yeah!)  
I'll be your lovemaker, soulshaker  
(Yeah!)

I'm gonna love you to death (come on!)  
(Yeah!)  
Ohhhhh lovemaker!  
Whooaaa soulshaker!  
Heartbreaker!
