

# I Love You

## Andras Kallay Saunders

Every time I close my eyes I see your pretty face  
The sun is shining when youâ€™re smiling, thereâ€™s no cloudy days

Iâ€™ve just gotta tell you something  
Girl Iâ€™m tired of running  
Iâ€™ve only got three words to say

Iâ€™ve been waiting for this moment  
Girl youâ€™ve got me open  
Darling youâ€™re the only girl for me

Baby Iâ€™m afraid of what Iâ€™m about to say  
So Iâ€™ll take a breath and tell you what I feel for you babe

Every time I close my eyes I see your pretty face  
The sun is shining when youâ€™re smiling, thereâ€™s no cloudy days

I love you, I love you, I love you  
Love you, I love you  
Do you feel the same?

I love you, I love you, I love you  
Love you, I love you  
Tell me, do you babe?

Girl I know you think Iâ€™m playing  
But my heartâ€™s singing  
Youâ€™re the only girl for me, yeah

I was just so down in luck now  
And I finally found you  
Darling canâ€™t you see?

Baby Iâ€™m afraid of what Iâ€™m about to say  
So Iâ€™ll take a breath and tell you what I feel for you babe

Every time I close my eyes I see your pretty face  
The sun is shining when youâ€™re smiling, thereâ€™s no cloudy days

I love you, I love you, I love you

Love you, I love you  
Do you feel the same?

I love you, I love you, I love you  
Love you, I love you  
Tell me, do you babe?

I so won't be so damn beautiful  
Incredible, your heart is so edible  
I've been scared for so long  
So I told you how I feel

Now I'm standing here in front of you  
Deep breath, baby girl I'm so in love with you  
Everything that I say is true  
From the bottom of my heart, girl I love you

Every time I close my eyes I see your pretty face  
The sun is shining when you're smiling, there's no cloudy days  
Every time I close my eyes I see your pretty face  
The sun is shining when you're smiling, there's no cloudy days

I love you, I love you, I love you  
Love you, I love you  
Do you feel the same?

I love you, I love you, I love you  
Love you, I love you  
Tell me, do you babe?
