

# Wrong

## Archers of Loaf

You've got it all wrong,  
You can't get it right.  
Why don't you come down  
From off my back.

And won't you get yourself a job somewhere away from me?Cause I don't want you to see your face anymore.

Cause I don't want you on my case in the morning.

I'm just being honest,  
It's the least I could do.

You say I'll never be honest with you,

Cause you don't deserve it anyway.No I do not think that you could love me anyway,

Because you are inferior to me.

And no I do not think that you could love me anyway,

Because you are superior in all aspects to me.(repeat)No I do not think that you could love me anyway,

Because you are superior in all aspects to me.She gets what she wanted (4 times)
