

# Oranges

## They Might Be Giants

Oranges  
Oranges  
Oranges and graphic design  
The Chopping Block spends their time  
Growing oranges  
Oranges  
Then working on graphic design  
The Chopping Block works all the time  
They work the day shift  
They work the night shift  
They work the graveyard shift  
Oranges  
Oranges  
Oranges and graphic design  
The Chopping Block spends their time
