

Finding Who We Are

Kutless

In You, we're living
In You, we're moving
In You, we're finding who we are
In You, we're living
In You, we're moving
In You, we're finding who we are And I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You
Yes, we call on You In You, we're living
In You, we're moving
In You, we're finding who we are
In You, we're living
In You, we're moving
In You, we're finding who we are And I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You
Yes, we call on You And I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You
Yes, we call on You We come to worship
With our voices
And know the love
Within Your skies We lift our hands
And seek Your presence
And find ourselves
In who You are And I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You
Yes, we call on You I worship You
Father of lights, spirit of truth
And I worship You
Jesus, we call on You
Yes, we call on You
Jesus, we call on You
Yes, we call on You
