Ain't A Thug

Trick Daddy

If I ain't a thug
You think I ain't a thug
Tell me what I am
If I ain't a thug why do I feel this way
Why the streets stay on my mind
Since I am a thug why do you go get so mad
Why can't y'all accept that it's my life?
If I ain't a thug y'all tell me who is
How many other motherfuckers y'all know can do this
Nigga I'ma thug forever and I never ever disrespect the game
Or cross one of my niggaz, listen
Slipping already cost one of my niggaz
So I better select the fools that I be dealing with
And I don't know nothing, didn't hear or say nothing
I can't remember but yet I still won't forget 'em
I'm from the dark side, born and raised in thug life
And I'm out that city full of drug dealers and wise guys
If I ain't a thug then you explain it 'cuz
How come a young nigga living so dangerous?
And why my name always some how involved in stuff
'Cause all these years y'all plan to target us
Yeah I am thug nigga, but I ain't a drug dealer
Three time convicted felon so I outta know better
If I ain't a thug why do I feel this way
Why the streets stay on my mind
Since I am a thug why do you go get so mad
Why can't y'all accept that it's my life?
From day one I been thugging and I'm loving every minute of it
So all you critics and haters I'm saying mother fuck you
I don't like you and therefore I don't trust you
You couldn't shut me up now you trying to set me up
It's bad enough we had it rough when we was growing up
You killed Pac and Biggie now trying to kill us
But I through my 4 up 'cus, I'm forever for sho' a thug rebel for certain
That's how I'm living listen
I ain't the snitching kind of nigga, yo and I'm a different kind of nigga
So you busta can't hit me
Ain't no sentimental nigga, I'm seating on spinners nigga

And when I'm dragging me denims don't you busta try to hit 'em

I'm from the part where stars like them heavy stars
Quality sound beating down each and every car
Giving them hell like I'm David Chappelle
Prostitute born male, with plenty dick for sell
If I ain't a thug why do I feel this way
Why the streets stay on my mind
Since I am a thug why do you go get so mad
Why can't y'all accept that it's my life?
But since I am a thug that's why you listen to me
'Cause I am a T H U G official, you see
I lot of niggaz still doubt a nigga
So when they conversate they be playing hating 'bout a nigga
But I expect them to, what else they suppose do
They dead broke and I got more flow then they do
And they mad 'cus I don't fuck with them
Oh will stay mad 'cus I don't kiss niggaz ass
I'm too busy being a real nigga
So if you fuck with me you can fuck around and kill nigga
The truth is Mr. Dollars is the real deal
Hell I'm the motherfucking Dade County mayor, yeah
And I'm strictly for the thugs
'Cause I'ma sho' nothing
Quick to straight fuck ya nigga what
Pussy nigga what, for my motherfucking thug
If I ain't a thug why do I feel this way
Why the streets stay on my mind
Since I am a thug why do you go get so mad
Why can't y'all accept that it's my life?
If I ain't a thug why do I feel this way
Why the streets stay on my mind
Since I am a thug why do you go get so mad
Why can't y'all accept that it's my life?
If I ain't a thug
If I ain't a thug
If I ain't a thug
Oh no no, tell me what I am
Why do I, why do I feel this way
Why the streets stay on my mind
