Stop Falling

Louis Velcro

[Chorus]
I ain't looking for a steady thing
I ain't looking for what love brings
Cause I'm still young and I ain't ready babe
I'm still looking for some better days
I don't want to give you everything
I just want to make you feel things
You ain't gotta give me everything
Just throw it away hey

Don't assume cause I'm a woman that'll fall in love
Don't expect I'm young and need to be took cared of
Don't want to hear you got what I need
Cause how would you know before we speak?

You've gotta understand my side
I've had a crazy, crazy life
Nobody came along to open up my eyes
You better take what you can get
Don't even bother with my heart
I get a feeling I won't let dissolve

[Chorus]

Please believe me
I've been down this road and back again
Learned a lesson and it was that love is not your friend
The day I put my trust in you
Will be the day I say I do
Don't expect me just to open up
Maybe I'm just a little scared
Please don't tell me what you think
I wouldn't hear
Oh baby save it
I've heard it all before
There ain't nothing you could say to make me change

[Chorus]

So stop falling, stop falling

You know you're falling for me
Stop falling, stop falling
Stop falling for me, yeah

You've gotta understand my side
I've had a crazy, crazy life
Nobody came along to open up my eyes
Oh baby take what you can get
Don't even bother with my heart
I get a feeling I won't let dissolve

[Chorus]

Stop falling, oh, hey, oh, oh yeah
Baby
