Don't get me wrong  
But I put my trust off in the lord  
It's too corrupt  
Know that God gon' help me blow 'em up  
I give a fuck, heaven was hell and vica versa

See me cremated, my adaption to the climate  
So glad I made it  
Elated that they gon' go to heaven

When we die, eternal fire or the street of gold
