Recollect

The Planet Smashers

It's ok to memorize
All your tears and all your lies
Recollect in photographs
If you don't look now you won't look back
When everything's been heard
No more spoken words
Everything is gonna be alright
Recollect in photograph
If you don't look now you won't look back
When everything is learned
Don't say a word
Everything is gonna be alright
It's ok to recognize
All your fears and all your trials
Reconnect with photographs
If you don't look now you won't look backWhen all's said and done
You can still right your wrongs
Everything...
Don't say a word
You can't stop the world
Everything is gonna be alright
