Love Machine

Thelma Houston

I'm just a love machine
And I won't work for nobody but you,
I'm just a love machine,
A huggin', kissin' fiend.

I think it's high time you knew,
Whenever I think of you,
My mind blows a fuse.
When I look in you eyes,
My meter starts to rise, and I become confused.
My voltage regulator cools,
When I'm sitting next to you,
Electricity starts to flow,
And my indicator starts to glow - wooo

I'm just a love machine
And I won't work for nobody but you,
I'm just a love machine,
A huggin', kissin' fiend.

Na, na na na na, na na na na, woo-woo-wooo
Na, na na na na, na na na na, na naaah

I'm just a love machine
And I won't work for nobody but you,
I'm just a love machine,
A huggin', kissin' fiend.

I'm gentle as a lamb,
I'm not that hard to program,
There's no way that you can lose,
My chassis fits like a glove,
I've got a button for love,
That you have got-to-use.
If you look into my file,
I am sure you can find out how,
To turn me on just set my dial,
And let me love you for a little while - ooh

I'm just a love machine

And I won't work for nobody but you,
I'm just a love machine,
A huggin', kissin' fiend.

Na, na na na na, na na na na, woo-woo-wooo
Na, na na na na, na na na na, na naaah

I'm just a love machine,
And I won't work for nobody but you.
I'm just a love machine,
A huggin', kissin' fiend.
