## Godsmack

YeahWhy are you laughing as if you're my friend? Yeah  
I'm gonna slap you again and again and again  
Ooh, I like you better when you go awayYou gotta get up, gotta get out, you gotta get up  
Yeah, you gotta go away  
You gotta get up, gotta get out  
Yeah, yeah, yeahYou were the love of my life for a day, yeah  
I kind of thought that you feel the same way, no way  
Ooh, I like you better when  
Ooh, I like you better when you go awayYou gotta get up, gotta get out, you gotta get up  
Yeah, you gotta go away  
You gotta get up, gotta get out  
Yeah, yeah, yeah, yeah, yeahGotta get up, gotta get out, you gotta get up  
Yeah, you gotta go away  
You gotta get up, gotta get out  
Yeah, yeah, yeah, yeah, yeah, yeah  
Ooh yeahConsider you a figment of my imagination  
But will you ever go away?Yeah, gotta get up, gotta get out, you gotta get up  
Yeah, you gotta go away  
You gotta get up, gotta get out  
Yeah, yeah, yeah, yeah, yeahGotta get up, gotta get out, you gotta get up  
Yeah, you gotta go away  
You gotta get up, gotta get out  
Yeah, yeah, yeah, yeah, yeahGotta get up, gotta get out, you gotta get up  
Yeah, you gotta go away  
You gotta get up, gotta get out  
Yeah, yeah, yeah, yeah, yeahGotta get up, gotta get out, you gotta get up  
Yeah, you gotta go away  
You gotta get up, gotta get out, yeahYou gotta go away
