

# Love Hates Me (feat. Pusha T)

## Chris James

[Hook: Chris James]

Love me and you drive away, riding off and run away

Tell me that you hate me, I just need you to love me

Girl I know you're crazy, I won't do it your way

Tell me that you hate me, I just need you to love me [Verse 1: Chris James]

Hold on a lie, you're making this crush a love

Say that you had me, say that you wanna trust

Drive me insane, you're driving this crazy love

You're still winding on the pole

Loving you is like I'm stuck

I can't go round uh

I thought you was destiny [Bridge: Chris James]

You told me that you loved

You told me that you told me that you gave a fuck

You told me that you shake it real good for a nigga

You told me that you won't give in, you like it rough [Hook] [Verse 2: Pusha T]

I just dropped album of the year

Better know what you fuckin with

Gotta know what your worth is

Bet your nigga can't double it

Put you all on that red carpet

Paparazzi gon run with this

Just for laughs, Ye spazz

Street nigga, have fun with this (Wooo!)

I made one with this

But what comes with this

These fast broads with crab claws

They dungeon-ed this

Introduce you to the summer shit

In the wintertime give a head start

Round the time when the weather break

We can start stuntin' bout mid March

How that sound to you, I ain't bound to you

No wedding date you got 3 rings

What's a clown to you?

I ain't selling no red nose

Keep on walkin in red soles

Spend the day up in the day spa

Taking pics up in the fed booths

You hate to love it  
But you love to hate it  
Don't wanna leave it cus the world lookin like I finally made it  
You finally did it, standing ovation  
They smiling now but when they get home them hoes hatin' (YAHHH!)[Hook][Bridge][Hook][Outro: Chris  
James]  
I can't call it, I want all that  
I want all I can get  
I've been falling, oh you got me  
So just let me free
