The Weaver (EP)

Paul Weller

Can you put a smile back on, all these faces
Of all the people from such different places
And if you can succeed, what then will you achieve,
With a different tune to play, you've been saving for a rainy dayWill you heal the scar that's on, the years been wasted
The tears spent of the past, just filling spaces
Or is love forever gone, banished to a smaller part
Hide behind your wall and start, to get to the very heartAn' if you wanna shoot the moon, make sure that you know why
Careful, fly too soon, better let someone else tryI'm the weaver of your dreams, I get rid of your bogeyman
I'm here to smash the shell you're under, an' get you into another thingI'm the weaver of your dreams, I put paid to the rocket men
I'm here to break the spell you're under, an' get you started with another planCould you put a kiss back on, the lips so twisted
Waiting for the chance to start, dipping into wishes
Or is love forever gone, banished to a smaller part
Hide behind your wall and start, to get to the very heartAnd in the midst of the darkest night
Think of me and hold me tight
So that I might live to see
All the weaving of my dreams
