

The Memory Remains

The Kovenant

[Metallica cover][Limited Edition Bonus]Fortune, fame

Mirror vain

Gone insane

But the memory remainsHeavy rings on fingers wave

Another star denies the grave

See the nowhere crowd

Cry the nowhere cheers of honorLike twisted vines that grow

Hide and swallow mansions whole

In light of an already

Faded prima donnaFortune, fame

Mirror vain

Gone insane...

Fortune, fame

Mirror vain

Gone insane...

But the memory remainsHeavy rings hold cigarettes

Up to lips that time forgets

While the Hollywood sun sets

Behind your backAnd can't the band play on

Just listen, they play my song

Ash to ash

Dust to dust

Fade to blackFortune, fame

Mirror vain

Gone insane...

Fortune, fame

Mirror vain

Gone insane...

Dance little tin goddessNananananana nananada nananananana nananadanada

Nananananana nananada nananananana nananadanadaDrift away

Fade away

Little tin goddessAsh to ash

Dust to dust

Fade to blackFortune, fame

Mirror vain

Gone insane...

Fortune, fame

Mirror vain

Gone insane...

But the memory remains

Ash to ash

Dust to dust

Fade to black...

But the memory remains

Faded prima donna

Dance little tin goddess

danceNananananana nananada nananananana nananananadana

Nananananana nananada nananananana nananananadana
