

I Feel You (Helmet At the Helm Mix)

Depeche Mode

I feel you
Your sun it shines
I feel you
Within my mind You take me there
You take me where the kingdom comes
You take me to and lead me through
Babylon This is the morning of our love
It's just the dawning of our love I feel you
Your heart it sings
I feel you
The joy it brings Where Heaven waits
Those golden gates and back again
You take me to and lead me through
Oblivion This is the morning of our love
It's just the dawning of our love I feel you
Your precious soul and I am whole
I feel you
Your rising sun, my kingdom comes I feel you
Each move you make
I feel you
Each breath you take Where Angel's sing
And spread their wings, my love's on high
You take me home
To glory's throne by and by This is the morning of our love
This is the dawning of our love
This is the morning of our love
It's just the dawning of our love
