

# Everything I Need

## From Autumn To Ashes

I have everything I need  
Innocent victims  
They don't exist, who told you this?  
Outfit the nation with a blindfold  
And a crucifix Infinite wisdom  
A bullet for the pacifist  
Improving methods  
To cripple the populace In keeping up with the font stampede  
I have a choice, I could keep retreating  
Out I let it run me, run me right into the ground In keeping up with the font stampede  
I have a choice I could keep retreating  
Out I let it run me, run me right into the ground I have everything I need  
We have no knowledge of  
Cause and effect  
Our fathers left behind  
The ugliest inheritance Innocent victim  
Its every kid who has a wish  
Oh, God, you're in for the  
Greatest disappointment In keeping up with the font stampede  
I have a choice, I could keep retreating  
Let it run me, run me right into the ground In keeping up with the font stampede  
I have a choice, I could keep retreating  
Let it run me, run me right into the ground The ground, the ground, the ground I let it trample me  
I let it trample me  
I let it trample me I have everything I need  
Well, I have everything I need  
Well, I have everything I need  
Well, I have everything I need
