

# Another Public Service Announcement

## D12

Ok...this is ANOTHER public service announcement  
Brought to you in part (punch, yell)  
Shut up punk!  
Yo ? good good hell yeah  
Look, I'm speaking on behalf of D-12  
And if you get offended by words like bitch, hoe, sissy, bangin, Homo, lesbian, fudge, fucker, clit, ear  
All that shit like that  
Then you should turn this shit off right now  
Coz thats just some of the shit-no thats the only shit that you're gonna  
Hear right here on this album.  
It's not that they don't have creativity or some shit like that  
That ain't the case  
We just like sayin' stuff like that just to fuck wit' ya  
Hey! I told you to hold him down, now he's runnin'!  
Oh...fuck it (gun shot).  
God damn it if you'd just stayed still none of this would have happen to ya!  
It just goes to show when you fuck around with us, shit can happen.
