

Turn Me On

Classy Silhouette

Ew Ew Ew Ew

Ew Ew Ew Ew

Ew Ew Ew Ew

Hook:

I can't help it

But you turn me on

Yeah you turn me on

Yeah you turn me on

And I know without a doubt

that you'll turn me out

yeah you'll turn me out

come on turn me out

I can't help it

But you turn me on

Yeah you turn me on

Yeah you turn me on

And I know without a doubt

that you'll turn me out

Turn me out

Come on turn me out

Ew Ew Ew Ew

Ew Ew Ew Ew

Ew Ew Ew Ew

Verse One:

I-I-I-I was looking at this guy

I had to wonder why

When I looked into his eyes

Much to my surprise

I got butterflies

Oh My My My My

I think I like this guy

Hook:

I can't help it

But you turn me on

Yeah you turn me on

Yeah you turn me on

And I know without a doubt

that you'll turn me out

Turn me out

come on turn me out
I can't help it
But you turn me on
Yeah you turn me on
Yeah you turn me on
And I know without a doubt
that you'll turn me out
yeah you'll turn me out
come on turn me out
Ew Ew Ew Ew
Ew Ew Ew Ew
Ew Ew Ew Ew

Verse Two:

I-I-I-I

I walked up to the guy
I had to tell him why
I couldn't take my eyes
off of him

I-I-I-I-I-I

Tonight I'm gonna make you mine
You shouldn't be so fine

I-I-I-I-I-I

Ew Ew Ew Ew
Ew Ew Ew Ew
Ew Ew Ew Ew

Hook:

I can't help it
But you turn me on
Yeah you turn me on
Yeah you turn me on
And I know without a doubt
that you'll turn me out
yeah you'll turn me out
come on turn me out
I can't help it
But you turn me on
Yeah you turn me on
Yeah you turn me on
And I know without a doubt
that you'll turn me out
Turn me out
Come on turn me out
