Sure It Was Fun

Adam Ladell

What a wonderful day it was when you said you loved me
'Twas a day where nothing could make me sad
We entered each other's lives and we just hung there
You make me feel like I was going madWe courted each other and I begged everyone to believe us
We held hands in class and made out, day after day
Darling, you stuck to me like mud on something like paper
I could've sworn we'd go down in historyBut then came the day when I just didn't care no more
Came a time I never thought would come
But sure, baby, it was fun but fun never lasts forever
And then I was only one
Oh, I remember the day under shelter where we both went in
I cowered away but your face lit up with a grin
You said, "Don't be scared, it's nothing,
"Just a little bit of loving,"
So I accomplished my dreamBut then came the day when I just didn't care no more
Came a time I never thought would come
But sure, baby, it was fun but fun never lasts forever
And then I was only oneYou made me feel like a man with wings
I felt on top of the world
But, darling, I had to say goodbye or my life would never change
Oh, what a beautiful, fantastical day that was
But then came the day when I just didn't care no more
Came a time I never thought would come
But sure, baby, it was fun but fun never lasts forever
And then I was only
From then I was only
From then I was only one
