

# Call Me Up

## Charlotte Sometimes

Advisory - the following lyrics contain explicit language:

Baby boy, it's you not me  
But the apple don't fall far from the tree  
And you're a 9 to 5  
And nobody gives a 9 to 5 shit But if you're alone, call me up  
Oh and if you're alone, call me up  
Oh and if you're alone  
Pick up the phone  
And call me up, and call me up Little love, you pay the check  
And I turn you down like you'd expect  
You're 9 to 5  
And nobody gives a 9 to 5 shit But if you're alone, call me up  
And if you're alone, call me up  
Oh and if you're alone  
Yeah, pick up the phone Yeah, if you're alone, call me up  
Oh and if you're alone, call me up  
Oh and if you're alone  
Yeah, pick up the phone and call me Maybe one day you will be  
Oh so lucky to have me  
But do not overestimate yourself Maybe one day I will see  
You're the only dude for me  
But do not overestimate yourself If you're alone, call me up  
Oh and if you're alone, call me up  
Oh and if you're alone  
Yeah, pick up the phone Yeah, if you're alone, call me up  
Oh and if you're alone, call me up  
Oh and if you're alone  
Yeah, pick up the phone And if you're alone, call me up  
Oh and if you're alone, call me up  
Oh and if you're alone  
Yeah, pick up the phone and call me up
