

In the Wilderness

GOJIRA

On my way
To the vision-come-true
I enter a galaxy rising
And I land on this
Brown and green old place
Whose wild is giant treesTrees so strong
That they never can fall
Four suns alight
In silver grey sky
Wild river flows
With rage alive
Lions of fire approach meCarved by the wind
And the fall of water
From the treetops
I can see the end of a timeLiving respectful
Low your axe
And learn from the treesSecond dawn
Meet the sylvanlings
Passageways into the deep
Invitations to explore the forest
Lions gales and chambersA tree trunk
Larger than a mountain
Stands on the top
Of this hill
Made of rock and mistLiving respectful
Low you axe
And learn from the treesHenceforth
I will be always there
Planet earth will overcome
Men destroyed
Scorned and killed their lives
But the world is on her way
