## The Downtown Fiction

Advisory - the following lyrics contain explicit language:

I know the sun still shines when you're not around  
I'm taking it easy in the worst part of town  
And now I find that it wasn't meant to last  
I got one thing to say and that's  
Thanks for nothing, kiss my ass I want some money, I want some fame  
Want everybody to know my name  
Want you to see me in shining lights  
Think about me when your with him that night I know the sun still shines when you're not around  
I'm taking it easy in the worst part of town  
And now I find that it wasn't meant to last  
I got one thing to say and that's  
Thanks for nothing, kiss my ass  
Thanks for nothing, kiss my ass, yeah I wrote a letter I never sent  
But I forgotten just how it went  
It doesn't matter that much to me  
Yours is the last face I ever want see Because the sun still shines when you're not around  
I'm taking it easy in the worst part of town  
And now I find that it wasn't meant to last  
I got one thing to say and that's  
Thanks for nothing, kiss my ass The sun still shines when you're not around  
I'm taking it easy in the worst part of town  
And now I find that it wasn't meant to last  
I got one thing to say and that's

I'm taking it easy in the worst part of town  
And now I find that it wasn't meant to last
