Take Your Time

Sam Hunt

I don't know if you were looking at me or not
You probably smile like that all the time
And I don't mean to bother you but
I couldn't just walk by
And not say hiAnd I know your name
'Cause everybody in here knows your name
And you're not looking for anything right now
So I don't wanna come on strong
But don't get me wrong
Your eyes are so intimidating
My heart is pounding but
It's just a conversation
No girl I'm not gonna waste it
You don't know me
I don't know you but I want toAnd I don't wanna steal your freedom
I don't wanna change your mind
I don't have to make you love me
I just want to take your timeI don't wanna wreck your Friday
I ain't gonna waste my lines
I don't have to take your heart
I just wanna take your timeAnd I know it starts with hello
And the next thing you know you're trying to be nice
And some guys getting too close
Trying to pick you up
Trying to get you drunkAnd I'm sure one of your friends is about to come over here
'Cause she's supposed to save you from random guys
That talk too much and wanna stay too long
It's the same old song and dance but I think you know it wellYou could have rolled your eyes
Told me to go to hell
Could have walked away
But you're still here
And I'm still here
Come on let's see where it goesI don't wanna steal your freedom
I don't wanna change your mind
I don't have to make you love me
I just wanna take your timeI don't have to meet your mother
We don't have to cross that line
I don't wanna steal your covers
I just wanna take your timeWoah, I don't wanna go home with you

Woah, I just wanna be alone with youI don't wanna steal your freedom
I don't wanna change your mind
I don't have to make you love me
I just wanna take your timeAnd I don't wanna blow your phone up
I just wanna blow your mind
I don't have to take your heart
I just wanna take your timeNo, I ain't gotta call you baby
And I ain't gotta call you mine
I don't have to take your heart
I just wanna take your time, ooh
