

# No Face, No Name, No Number (John Monkman Remix)

[Bryan Ferry](#)

I'm looking for a girl who has no face  
She has no name or number  
And so I search within his lonely place  
Knowing that I won't find her Well, I can't stop this feeling deep inside me  
Ruling in my mind  
I feel no sound  
Don't know where I'm bound The scenery is all the same to me  
Nothing has changed or faded  
I'm a part of it, some part of me  
Painted cool green and shaded So, try to find myself  
Must be the only way  
To feel free I feel no sound  
Don't know where I'm bound Well, I can't stop this feeling deep inside me  
Ruling in my mind  
I feel no sound  
Don't know where I'm bound I'm looking for a girl who has no face  
She has no name or number
