

Sleestak

Fu Manchu

Super Casanova
He's on the road again
Eye'n the sheep honey
Won't you be my friend?
Sign up ahead, it read
Stop and start again Here she comes
I see her comin'
Right on
Engines humming
Eatin' dust
And double clutchin Cement peelin' and Im feelin'
Road hoggin it
Foots itchin and Im missin'
Gotta run again
With a head of gold, Im told
Rubber leggin it Here she comes
I see her comin'
Right on
Engines humming
Eatin' dust
And double clutchin
