

King Sandbox

Mudhoney

Always wanted more than he needs
He always wanted more than he can take
Always wanted more than he can handle
Always wanted another piece of cakeKing Sandbox, says more
King Sandbox, wants moreHe always gets more than he deserves
He always dresses to suit himself
He always takes so you can't have
He always wants more than everybody elseKing Sandbox, sees yours
King Sandbox, wants yoursOhOn top of his mountain
Mountain of gold
King of the hill
He's got to have it allNow he owns the sandbox
And his playmates move in the cold
He's a spoiled child
[Incomprehensible]King Sandbox, wants more
King Sandbox, wants yours
