

# Star By Star

## The Kovenant

Advisory - the following lyrics contain explicit language:

We were alone and on our own  
In the dark between the stars  
From the shadows to the pyre  
Amidst the chaos, from the stars Love, life and liberty  
Hate, death and captivity  
Like a stain of starless darkness  
Across the canvas of space Star by star  
Corrupting all of humanity  
So much alike are we  
When I see you I see me Star by star  
Star by star Galaxies glitter in the black night sky  
Towards progress, towards death  
From the stars we have come  
And to the stars we will return The violence of passion  
The passion of violence  
The perverse impulses  
The savage egoism The wicked presence  
The wicked essence  
The thing that unites us  
The thing that divides us Star by star  
Corrupting all of humanity  
So much alike are we  
When I see you I see me Star by star  
Star by star
