

# I've Found A New Baby

Clarence Williams

I've found a new baby  
I've found a new girl  
My fashion plate baby  
Got me in a whirl, whirl, whirlNew kind of lovin'  
Done made me her slave  
Sweet turtle dovin'  
Is all that I craveSweetest miss with a kiss  
Full of bliss, can't resist  
Tells me lies but she's wise  
Naughty eyes mesmerizeYou know I don't mean maybe  
Baby I just had to fall  
And that's why, that is why I say  
"Swing you dogs"I don't mean maybe  
I have found a new baby  
So baby that's all
