

# You're My Only Home

## The Magnetic Fields

I will stay if you let me stay  
And I'll go if you let go  
But I won't go far away  
Because you're my only home  
And I will hide what you want hidden  
And I'll roam if you say roam  
But I'd just as soon you didn't  
Because you're my only home  
When you cancel dinner plans  
When you cross the street and you don't take my hand  
When you make impossible demands  
I wish I didn't understand  
I will stay if you let me stay  
And I'll go if you let go  
But I won't go far away  
Because you're my only home
