

# Nice Guys Can't Fuck

## Electric Sex Pants

You say the right things  
You buy me diamond rings  
You cook and you clean  
But you won't treat me mean

You like all my friends  
You stay till the end  
You take me out for dinner  
You're a siant, not a sinner

That's all well and good  
Well I only wish you would  
Last a little longer  
And be a little stronger

I'm sorry honey, Nice Guys Can't Fuck  
Nice Guys Can't Fuck  
Nice Guys Can't Fuck

You have lots of money  
Your jokes are really funny  
You drive a cool car  
But in bed you're not a star

You're overly polite  
You always kiss goodnight  
You share and you care  
But you never get me there

That's all well and good  
Well I only wish you would  
Last a little longer  
And be a little stronger

I'm sorry honey, Nice Guys Can't Fuck  
Nice Guys Can't Fuck  
Nice Guys Can't Fuck
