All Englands Eyes

Magnum

Not forsaken, another heart
They lie taken in foreign parts
Someone breakin' another heart
They lie waitin' in foreign partsOld England's skies
Turn black and she cries, wet again
All England's eyes
Turn black and they cry, yet againStanding over another heart
Winds blow colder in foreign parts
And the nameless, the sacred heart
Come to claim us from foreign partsOld England's skies
Turn black and she cries, wet again
All England's eyes
Turn black and they cry, yet againOld England's skies
Turn black and she cries, wet again
All England's eyes
Turn black and they cry, yet again
Oh, yeah, oohOld England's skies
Turn black and she cries, wet again
All England's eyes
Turn black and they cry, yet again
