

# Who's Gonna Stand Up? (Solo)

**Neil Young**

Protect the wild  
Tomorrow's child  
Protect the land  
From the greed of manTake down the dams  
Stand up to oil  
Protect the plants  
And renew the soilWho's gonna stand up and save the earth?  
Who's gonna say that she's had enough?  
Who's gonna take on the big machine?  
Who's gonna stand up and save the earth?This all starts with you and me!Damn the dams  
Save the rivers  
Starve the takers  
And feed the giversBuild a dream  
Save the world  
We're the people  
Known as EarthWho's gonna stand up and save the earth?  
Who's gonna say that she's had enough?  
Who's gonna take on the big machine?  
Who's gonna stand up and save the earth?This all starts with you and me!Ban fossile fuel  
Draw the line  
Before we build  
One more pipelineBan fracking now  
Save the waters  
And build a life  
For our sons and daughtersWho's gonna stand up and save the earth?  
Who's gonna say that she's had enough?  
Who's gonna take on the big machine?  
Who's gonna stand up and save the earth?This all starts with you and me!Who's gonna stand up  
Who's gonna stand up  
Who's gonna stand up  
Who's gonna stand upWho's gonna stand up
