

Non-State Actor

Soundgarden

Coin in every pocket
More mouths to fill
So weak in the land
Strong in the will (need)
I'll be your beast of burden
I'll be the seed I bring you the healer
Feel your disease
I bring dirty water
And make it clean (young)
And you are the cure
I am the drug And we settle for
A little bit more than everything
We're not elected, But we will speak
We're not the chosen, But we believe
And we settle for a little bit more than everything Bullets, guns and missiles
A stone and a sling
A motherless country
Of thee I sing (song)
You are the tank and rockets
I am the bomb
I teach you a lesson
Sword for a pen
Reading turn the pages
A history of man (look)
You are tabula rasa
I am the book And we settle for a little bit more than everything
We're not elected, But we will speak
We're not the chosen, But we believe
And we settle for
A little bit more than everything I'm a non-state actor
I'm a non-state actor
I'm a non-state
I'm a non-state actor And we settle for a little bit more than everything
We're not elected but we will speak
We're not the chosen but we believe
And we settle for a little bit more than everything
A little bit more
A little bit more
A little bit more
