

Darkness

Darren Hayes

Been spending so much time underground
I guess my eyes adjusted to the lack of light
I got covered in darkness
Covered in darknessHibernating always waiting for something new
Happiness always ended in the blink of an eye
There was no one attending
No one attendingIt doesn't really matter where it all began
All I know
I got covered in darkness
Covered in darknessEver wonder why I never really truly connect
Although my eyes are open, I can hold your gaze
But I am never connected
Never connectedI am famous for my generosity
They say I am the kindest but it is easier to
Give than receive love
Give than receive loveIt doesn't really matter where it all began
All I know
I was covered in darkness
Covered in darknessTurning pages over, run away to nowhere
And it's hard to take control when your enemy's old and afraid of you
You discover that the monster you were running from
Is the monster in youBetter to hold on to love
Better to hold on to love
Change will comeIt doesn't really matter where it all began
All I know
I was covered in darkness
Covered in darknessIt doesn't really matter where it all began
'Cause, all I know
I was lost
I was lost, no, noIt doesn't really matter where it all began, no, no
All I know
I was lost
I feel lost, lost, no
