Prom Queen

Molly Kate Kestner

God save the prom queen
Teenage daydream
Just another dressed up heartbreak
God save the prom queen
Only eighteen
Turned her tears to diamonds in her crownShe's the first in line at the party
She's the first in line at the club
And she's got that body, always got a following
Everybody's looking up
When she walks by you want to be her
And your boyfriend pretends not to see her
'Cause she's got that fire, doesn't even try her
Her booty has its own zip code
All the pleasants bow down
God save the prom queen
Teenage daydream
Just another dressed up heartbreak
God save the prom queen
Only eighteen
Turned her tears to diamonds in her crownTake a look at the future
Who knows what's ahead?
There's a house on a hill with an indoor pool
And a millionaire in her bed
And the years go by and she still dreams
She's the hottest girl in town
And the makeup's stronger, gotta wear it longer
Just to keep a man around
God save the prom queen
Teenage daydream
Just another dressed up heartbreak
God save the prom queen
Only eighteen
Turned her tears to diamonds in her crown
Diamonds in her crownAnd she lives her dreams through the magazines
And her daddy's gone and she needs someone
And she's got the looks and the boys on hooks
But she'll trade it all for a heart that's whole
God save the prom queen
God save the prom queenGod save the prom queen

Teenage day dream
God save the prom queen (she turned her tears)
She turned her tears to diamonds in her crown
